Important 2010 Membership Information

Like all charities we are struggling to survive. Veterinary costs have escalated and in the interests of animal welfare we are doing our best to provide an affordable service for our members. Since we have NO CONSULTATION fee, we rely on the yearly subscription fee from our members to keep the service going.

ALL fees are spent on animal welfare. Vedra provides her 24/7 veterinary care on a voluntary basis, including doing all the domestic cleaning work as well. As many of our members will know from the time they receive their night time patient update text messages, Vedra provides a night duty service for very sick or post operative patients.

For existing members, please state your 2009 membership number (if known) and KEEP your 2009 card. To avoid the cost of posting out new cards, we will record your renewal on our files and the 2009 number will remain your personal number for the duration of your membership. If you have lost your number or are a new member we will either text or email it to you. All new members will receive a membership card.

When using our telephone text or email service you MUST start the message with your Surname AND your membership number.

Commencing 2010, Members with an email address will receive regular information/medical updates - please see the CCT page on our website for further information.

YOU CAN NOW JOIN OR RENEW YOUR MEMBERSHIP BY CREDIT CARD.

To join or renew your CCT membership for 2010, please complete the following and return to CCT at the above address: **THANK YOU FOR YOUR SUPPORT**
